

**INDIANAPOLIS METROPOLITAN POLICE
NORTHWEST DISTRICT**

Crime Prevention Tips

Your Northwest District Police officers want to make sure you are aware of the recent thefts from vehicles in your neighborhood area. Almost all of the vehicles were unlocked and parked in the driveways of the residences. Some of the vehicles were left unlocked with garage door openers left inside the vehicles. The thieves were able to use the openers to gain access to the residences and did steal items from the garage also.

We want to remind you to lock your vehicles. These crimes were crimes of convenience where the thieves looked for unlocked vehicles and left the secured vehicles alone.

Help your Police Department out by taking that extra minute to secure your vehicles.

- Call the IMPD Northwest Community Relations office at 327-6606 or 327-6616 if you have any questions or concerns.
- **REMEMBER, IF YOU SEE SOMETHING SUSPICIOUS OR OUT OF PLACE IN YOUR NEIGHBORHOOD, CALL 911 IMMEDIATELY**
